**Le Jour de la Terre / Earth Day 2024
Protégeons nos océans / Let's protect our oceans**

Ecole Cobble Hill's Roots and Shoots Club (grades 4 to 7) has been busy this spring on Tuesdays at recess diving deeply into how we can protect our oceans. Students researched local marine creatures and how their survival might be threatened by issues such as pollution, climate change, overfishing and bycatch. They displayed their research, drawings and questions on one of the bulletin boards in the school's front hall. Then, all of a sudden this week, the bulletin board ended up covered in icky plastic and styrofoam pollution!

The Roots and Shoots Club will be looking next at possible solutions we can put into action to make a difference for our oceans and beaches, but in the meantime, please consider how you can take action individually to protect our oceans. Some possible actions could be:

- Avoiding or limiting the use of single use plastics
 - e.g. plastic shopping bags, Ziploc bags, yogurt containers and tubes, plastic water bottles, food items in disposable wrappers like granola bars
- Using reusable containers for lunches and leftovers
- Eating seafood that is harvested sustainably
- Doing a five minute beach cleanup whenever you visit the beach – take a look at this great idea from Tofino beaches!

Thanks for helping us make our oceans better places!

COUNTRY GROCER RECEIPTS - Keep 'em coming!

If you've got a pile of receipts at home, send them into the container on the Parent Info board by the office. They add up quickly, and we use the generated gift cards in a variety of ways to support the picnic, our staff, volunteers, and families.

Big thanks to parent Jess Beausoleil for tallying the pile of receipts regularly.
