Our school is hosting a fair where each class can explore and buy unique products made by our talented Grade 6 and 7 students.

**Location:** École Cobble Hill Gymnasium

**Market is open:**

**Class Shopping:** Each class will have designated times to visit the fair and purchase items during the school day.

**Friends and Family Welcome:** Friends and family are welcome to attend the fair. We encourage everyone to come and support our young entrepreneurs! The market will be open during pick-up time to allow parents and families some extra time to shop.

**Cash Only:** To make transactions smoother for our young sellers, please send your child with small denominations. No \$20 bills, please! Most items are priced between \$2 to \$10, with a few bigger ticket items up to \$15.
