# EXPLORE & CREATE SPIRAL CALENDAR

Celebrate the coming of Winter with all its magical beauty & light by creating a spiral calendar!

Count the days by moving or adding special glass balls & complete a beautiful scene with treasures from Nature.

Children of all ages are welcome to join us for this activity however we ask that youngsters under 6yrs bring a family member to share the experience with them !

**Sunday, November 19th**  
**1:30 - 3:00pm**

**Evergreen Independent School**  
**(Salal Arts Room) 3515 Watson Rd**
